

SUPPORTING RURAL HEALTH TRANSFORMATION

Strategic Planning, Access Expansion, and Sustainable Rural Health Solutions

The Rural Health Transformation (RHT) Program is an historic \$50 billion federal initiative to strengthen rural health systems, expand access to care, modernize infrastructure, and support long-term sustainability.

As rural providers and communities begin implementing transformation strategies, Capital Link can provide the practical planning, operational expertise, infrastructure strategy, and implementation support needed to turn funding opportunities into sustainable impact.

HOW CAPITAL LINK CAN SUPPORT

ACCESS, CARE DELIVERY & SERVICE EXPANSION

- Mobile health
- Integrated primary care & behavioral health
- Service line expansion
- Care coordination
- Community partnerships
- Rural access strategies

INFRASTRUCTURE, CAPITAL & FINANCIAL SUSTAINABILITY

- Capital planning
- Facility modernization
- Financial feasibility
- Sustainability planning
- Growth and expansion strategy
- Funding readiness

WORKFORCE, OPERATIONS & PERFORMANCE IMPROVEMENT

- Workforce planning
- Recruitment and retention
- Workflow optimization
- Operational assessments
- Care model redesign
- Organizational sustainability

TRANSFORMATION PLANNING, DATA & IMPLEMENTATION SUPPORT

- Strategic planning
